Dear Sir/Madam

It is our great pleasure to inform you that the Faculty of Commerce, University Maharani College University of Rajasthan, Jaipur is organizing a National Seminar on "Make in India : Opportunities and Challenges" on January 23-24, 2015.

Make in India is an International marketing campaigning slogan coined by the Prime Minister of India, Shri Narendra Modi on September 25, 2014 to attract business from around the world to invest and manufacture in India.

The campaign, **Make in India (MII)** is aimed at making India into a manufacturing hub. It aims to achieve economic transformation in India by eliminating the unnecessary laws and regulations, and making bureaucratic processes easier and shorter. This will make government more transparent, responsive and accountable.

We invite you to grace the occasion by presenting paper and take active participation in the technical sessions of the seminar.

Looking forward for your positive response.
