About the Conference : The International Conference on "Innovative Research and Practices in Commerce, Management and IT for Sustainable Development" stands as a beacon of collaboration and knowledge exchange in the realms of Commerce, Management, and Information Technology. With sustainability at its core, this conference serves as a platform for scholars, researchers, practitioners, and industry experts to converge and explore groundbreaking ideas, methodologies, and practices aimed at fostering sustainable development globally. Through an array of keynote speeches, panel discussions, and paper presentations, participants delve into diverse facets of commerce, management, and IT, seeking innovative solutions to contemporary challenges. Topics range from sustainable business models and ethical leadership to digital transformation and green technologies, reflecting the multidisciplinary nature of sustainable development. Moreover, the conference provides a fertile ground for networking and forging meaningful collaborations, fostering a community committed to driving positive change. As delegates share insights, best practices, and success stories, they collectively contribute to the advancement of knowledge and the pursuit of a more sustainable future for generations to come.

About the University of Rajasthan : The University of Rajasthan was established on 8th January 1947 and was then called the University of Rajputana. The foundation stone of the University Campus was laid by Shri C. Rajagopalachari on Sunday, February 20, 1949. He concluded his address on the occasion with these words, "Nothing can be achieved unless we learn to be good and correct and self-disciplined and cultivate self-restraint and that, which is called dharma in our beautiful language." The University owes much to the foresight, ability, and sincerity of the first three Vice-Chancellors of the University viz. Dr. G.S. Mahajani, Dr. G.C. Chatterji, and Dr. Mohan Sinha Mehta played a crucial role in the development of the University, its campus, the recruitment of faculty, and in laying down sound traditions. The vision of the University is that "the whole world is sustainable only by the virtue of Satya, Ahimsa, Tyag, Praguna, Karuna, and Maitri. The university promotes quality education, interdisciplinary research, academic and industry collaborations, and the construction of new models of sustainable development, equity, and gender justice. The current Vice Chancellor of the University is Prof. Alpana Kateja, a pioneer in Econometrics, Macroeconomics, and Health Economics.

About the Department of ABST : The Department of Accountancy and Business Statistics is a part of the Commerce Faculty of the University of Rajasthan. It aims to provide practical excellence to its students in terms of accounting and computational skills in Business and Management. The department strives to merge emerging technologies with accounting principles to make the students employable and industry-ready. The department facilitates the latest software and accounting tools to the students to make them familiar with the industrial trends. The Department of ABST is headed by **Prof. Ashok Agrawal.**

About Tirupati College of Technical Education : Tirupati College of Technical Education (A Unit of Tirupati Group of Institutions) was established in the year 2001 under the RSR Act 1958.
