INTRODUCTION

About the College

"Educate a man and you educate one person; educate a woman and you educate a whole nation."

- **Mahatma Gandhi**

It is with this motto that Maharani College embarked on its journey of providing opportunities for higher education to girls. The University Maharani College stands apart as an epitome of foresightedness of its founders, hard work of its staff and has paved the way for women's education in the feudal state of Rajasthan. The college has grown leaps and bounds ever since its inception. Established on 1st August 1944 with only 11 girls and 3 teachers in Madho Vilas under the patronage of the royal family especially Maharani Gayatri Devi, and called Intermediate College for Women, it has witnessed a meteoric rise and reached its present strength of more than 8000 students. Today it is Asia's largest multi faculty college.

The Founder Principal Smt. Savitri Bhartiya, instilled in the students and staff, a deep sense of responsibility and enthusiasm which continues even today. On 12th August 1947 it moved to its present premises and was rechristened 'Maharani College'. Maharani College became a part of the University as a constituent college in the year 1962.

The college stands as a testimonial to the visits of stalwarts like Dr Zakir Hussain, Dr S Radhakrishnan, Pt. Jawahar Lal Nehru, Mrs. Indira Gandhi, Shri Jai Narain Vyas, Shri Mohan Lal Sukhadia, Smt Vijay Laxmi Pundit, Shri Bhairon Singh Sekhawat, Prof Yashpal, Justice Ved Pal Tyagi, Shri Satish Chandra, Smt Madhuri Shah, Prof Arun Nigvekar, Smt Pratibha Patil, Smt. Vasundhara Raje, and Shri Ashok Gehlot. Besides, other illustrious dignitaries like Prithvi Raj Kapoor, Kapila Vatsayan, Sitara Devi, Pt Ravi Shankar, Pt Jasraj, Pt Hari Prasad Choursia, Begum Praveen Sultana, Aruna Roy, and many more.

Academic life here is oriented through offering undergraduate courses in Arts, science and Commerce streams. Besides the regular Pass course and Honors courses in all the three faculties, it also offers several innovative courses as SFS courses to prepare the students for their professional life. Technical courses such as, Bachelor of Computer Application (BCA), Bachelor of Business Administration (BBA), as well as add-on courses like IMB (Industrial Microbiology), Biotech (Biotechnology), Office Management and Secretarial Practice (OMSP) and Computer Application (C.A.) are also offered to meet challenges of current global scenario.

Languages like German, French, Urdu and Persian

are also taught on regular basis as one of the optional subjects. Fine Arts, Music, Hobby Dance and Home Science are also an important part of the curriculum. Our students' success cannot be defined by marks and qualifications alone. Students leave the College as dynamic and impactful global citizens, equipped to play a leading role in whichever walk of life they choose. To achieve this, students are encouraged to participate in the extensive array of opportunities which exist beyond the classroom. They are rewarded for their excellence in academic and co-curricular activities by bestowing on them gold medals and awards sponsored by philanthropists. 52 gold medals and 15 cups for academics and extra-curricular achievements are awarded annually. There is an elected Student's Union which plays a central role in representing the views of our students.

Goal and Vision

University Maharani College takes immense pride to be counted among the largest girls' college in the country. Education is the foremost tool to achieve the enshrined goal of empowering women. Maharani College being a pioneer in promoting girls' education has a clearly stated vision and mission which is reflective in its academic initiatives and governance.

Vision:

- To provide higher education opportunities to girl students.
- To ensure holistic development of students through quality education and value orientation.
- To create an environment that is responsive to the needs of the students and society at large.

Mission:

- To develop scientific temper among students through advanced knowledge, critical thinking and innovative learning.
- To prepare students for academic brilliance and other life challenges.
- To provide value-based education and inculcate sensitivity among students towards well being of society and environment.
- To make higher education accessible to underprivileged section of society.

The institute seeks to achieve its vision and mission by facilitating continuous quality enhancement of its faculty members. There is emphasis on all round development of students by encouraging participation in curricular activities like debates, sports, exhibitions etc. Merit being the sole criteria for admission reflects commitment towards fairness and equality of opportunities. Leadership development among students is done through functioning of student councils and participation in NCC and NSS activities. Several scholarships are available to students like Kalibai Yojana, Devnarayan Yojana etc. to remove economic barriers to quality education. Many guest lectures, seminars and workshops are organised to better prepare students for advanced career opportunities. Inculcation of value-based education is encouraged through motivational seminars, NSS and Anandam activities and through creation of counselling cell in the college. Maharani College remains committed towards further growth of its rich legacy.

Best practices :-

University Maharani College being dedicated to the cause of promoting women's education has adopted several best practices across different domains to achieve its mission and vision objectives. Some of the best practices are described below:

Women Cell was established in 2022 for redressal of issues pertaining to women and girl students in college. Girls can drop their grievances on ID: womenscellumc@gmail.com. Similarly Counselling cell has been established in 2022 for proper counselling of young students and faculties twice a week by skilled counsellors to solve their psychological problems.

In a recent development, in 2023, Creche Facility has been developed covering an area of around 3 rooms to accommodate around 20 children at a time of young female faculties. A virtual studio has also been laid off in 2021 (Covid Period) to ensure proper recording and online display of lectures for students.

Digital Library Management System

DLIMS is a web-application for "Library Automation" that provides the facility to control all the Library tasks in a real-time and online environment. It is a web-based service, so nothing is to be installed, and no servers are required in the libraries. It offers many flexible and convenient features, allowing librarians and library users to maximize time and efficiency by providing all information of students, staff, and books under one umbrella.

Key Benefits:

- Acquisition Record Management
- Accession Record Management
- Member Record Management
- Suppliers Record Management
- Issue/Return Record Management
- Entry/Exit Record Management
- Member Login Management
- Unique identification of members
- Bar code and QR code support
- Complete Documentation and FAQ's

Salient Features:

- All future up-gradations are free to the end users
- Cloud-based backups and general system maintenance
- Customizable for general purpose requirement
- System transparency, flexibility and user friendliness
- Different modules are designed and combined under a single application
- No special supplements are required to run this web application
- Right Information at the right place and at the right time
- Data validation at each step
- Artificially Intelligent System
- Fidelity for rules and regulation
- Complete documentation of literature
- Increase usage of the available resources
- A fully tracked system minimized forgery

Vermi-Composting Plant

- Vermi-Composting Plant has been set up to dispose biodegradable waste collected from the campus redoing the issue of regulating dispose of the waste.
- The long term aim is to develop it to become a constant source of manure for college ground and gardens.
- It also aims to raise awareness among students and faculty regarding recycling the waste.

The College has given utmost priority to the health of its students. They are encouraged to take timely food with adequate diet, maintain physical fitness and pro-environment pollution free campus. The institution believes in inculcating wellbeing practices besides academic growth and progress. In this process, the institution initiated for **HEALTH FIRST**, a strategic plan to enhance nutritional standards and personality development among the girls.

The nutritional cell was started to disseminate the information of nutritional products in day-to-day life. Students can learn about the utilization and consumption of products. Regular interaction with the experts who came to deliver, discuss and share their experience with us can improve the knowledge of students on basic nutrition needed to nourish human body. This initiative helps individuals who cooks food to make it more delicious and healthier.

The institution handles the adolescent girls who are in their transformative age, i.e., 18-21 years old. Teenage girls may face depression, anxiety, eating disorders and other issues which may affect their studies, health and finally their personality. Keeping these issues in mind, the college began a Psychological Counseling Cell in the campus. Psychologists will address the students' issues by regular counseling and discussions. The cell succeeded in bringing positive behavioral changes among the students, ability in decision making, estimate their strengths and weakness and deal effectively when they encountered issues in their daily life.

In addition, Free Medical Camp was conducted to

checkup the regular health status of the students.

Thrust Areas

University Maharani College is a premiere institution with over 8000 students, which makes it one of the largest colleges in Asia. Maharani is a name to reckon with and it is an educational institute with diverse courses and opportunity for students from all over India. Young girls coming from small townships and big cities get the taste of the rich heritage of the culture of college and the modern amenities. The institute takes pride in having the maximum number of cultural, academic, sports and leadership programs which grooms all Maharanis into confident and talented women who are ready to fit in any role which may be given to her. Maharani College prides itself in having an elite alumni ranging from successful politicians, administrators, actresses, models, lawyers, doctors, engineers and entrepreneurs to name a few professions. Many of the present faculties are alumni and we have seen many able Principals that are alumni of the institution.

The college has been conferred the status of "College with Potential for Excellence" (CPE) under the scheme of UGC. Under this scheme, the college has been provided with funds to conduct advance level courses, workshop seminars etc.

Faculty- The teachers are qualified, equipped with modern day methods of teaching. They have innovative teaching and learning aptitude and are engaged in regular teaching, counseling and mentoring of students. Most of the faculty members are Ph.D. and are research ready as per the modern day requirement. The faculty members are techno-savvy and have exhibited their dedication and zeal towards teaching and learning during covid pandemic. The faculty has shown leadership qualities during the pandemic for designing innovative learning materials, presentations, recordings and learning material for students.
